Dear sir/Madame,

I am writing to you as an actor, training at the University of Cumbria and would love to be considered for any future work. As my CV explains, I have been involved with many different types of productions from Children's Theatre to Shakespeare, in many different performance spaces.

I have gained an extensive amount of experience and am very willing to tackle any role given to continue to push myself out of my comfort zone, and to learn more about my abilities as a performer.

I look forward to hearing from you,  
Please find my contact details above, and CV and headshots enclosed.

Yours Sincerely,

Samuel Wharton

Carlisle.
